To whom it may concern,

I have known Melanie Atkins for most of her life and it has been a pleasure to watch her grow into a delightful young woman.

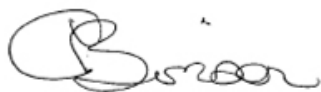

Melanie has a wonderful sense of humour, a great love of nature and the outdoors, and strives to see the good in all things.

From a work perspective, I know Melanie to be responsible and reliable, working well on her own or as part of a team. She is well organised and exceptionally good at gathering/presenting information. She is a master at internet based promotion and social media.

I have worked for several years in the marketing/promotion and tourism sectors and from conversations with Melanie about her current business, Tourism Technician, I am confident it will continue to be successful. She is broad minded with sound strategies to support her concepts.

I am happy to discuss this reference further if required and can be contacted on xxxx xxx xxx.

Yours faithfully,
